But to the FCA, it's 'business as usual' and there are lots of things that brokers need to be doing but perhaps haven't got round to yet.

Let us help you!

How it works...

We fully understand that these developments may have crept up on you. Let us help you cut through the jargon and identify what you need to do to remain compliant.

One of RWA's experienced compliance consultants will take you through a series of relevant questions and provide you with a report highlighting the risks facing your business.

We will also provide you with recommendations on what you need to do next.

A little bit about us...

RWA has been providing business support and consultancy services tailored to the needs of insurance brokers for over 25 years. Whether you are a new or existing customer, we will guide you through a changing regulatory landscape.

Let RWA help you build a stronger, more resilient and compliant business!
